I had very exciting day on my winter holiday. It was at first January night. I wanted to celebrate new year with my best friend. So, I did but it was not so easy. First I was at home celebrating new year with my family. Me and my sister, ~~which~~ whose old is 14 year, we helped our mom to cleaning our home and etc. When it was night I said to my father that I am going to Aisha, whose my friend. He said "okey, no problem", so as you can see I lied. I am going to my best friend, whose name is Nursultari. My dad got me a taxi and I said the wrong ~~adre~~ street and asked to taxi to leave me near the house. And I got a new taxi and went to my best friend. We was talking about everything, we was drinking, dancing, talking, playing and finally sleeping. This day was best day in my whole life. I really grateful for my best friend.
